1. Vote: Massachusetts Avenue Corridor Ballot Question
Kevin P. Greeley, Chair

Mr. Greeley opened the meeting and thanked the people in the audience for coming out this early to attend.

Mr. Dunn apologized to everyone saying that before Tuesday's meeting with the MassDOT, he felt strongly the Selectmen should put another question on the ballot regarding the Mass. Avenue Corridor. After attending the meeting and seeing the enthusiastic group that was supporting the project, he did not feel he should add another question to the ballot.

Mr. Curro stated he was moved by the level of passion and commitment to the project by all those in attendance and wanted to thank folks for coming out.

Mr. Curro moved to adjourn at 8:20 a.m.
